**VOLUNTEERS NEEDED FOR  
BLUEBONNET!**

# TEXAS BLUEBONNET CLASSIC

AHA Region IX 50 & 100 mile Endurance Championships  
100 and 50 mile Endurance and 25 mile Limited Distance Events  
May 13, 2006 LBJ Grasslands, Decatur, TX

Sanctioned by AERC, AHA, TADRA

Sponsored by **Texas Arabian Distance Riders Association**

Endurance riding is a timed athletic event for both the horse and rider. The event is open to all breeds of equine (horses, mules and ponies). The goal is to follow a marked trail in the proper direction as described by ride management. The second goal is to ride the marked trail as quickly as the condition of the horse allows, successfully passing all vet checks and finishing with a sound horse. **“To Finish is to Win”**

**Camping:** This is a primitive base camp on a small hill with a thick stand of hardwood trees and a scenic pond & windmill for horse water. There is ample room for campers, however no electricity or people water is available. Rest room facilities are provided. We are currently under a statewide burn ban and there will be NO fires of any kind. Dogs must be on leashes at all times. There are restaurants, motels and stores in Decatur.

**Trails:** The ride is considered easy terrain. Trails vary from fast flat areas, to high open areas with panoramic views, to deeply wooded forest. All trail is natural, with roadway's used only for crossings. There should be ample horse water on trail by May. Shoes are not required, however they are recommended. All vet checks will be in base camp. All trails are permanently marked.

**Awards:** All riders who successfully complete the 25, 50 or 100-mile events will receive a custom imprinted tee shirt. Weight, Junior Division and Best Condition winners will receive an additional award. 50 mile awards will be after light sticks are hung for the 100 milers. 100 mile awards will be approximately 8 am on Sunday.

Texas Animal Health Commission regulations require all out of state horses to show original copy of a negative EIA (Coggins) test within the previous 12 months and have a health certificate issued within the last 30 days. Texas horses must show original copy of a negative EIA (Coggins) test within the previous 12 months. Please plan ahead, no exceptions will be made.

If you plan on attending, **please help ride management by pre-entering**. Postmark will be your entry date.
